MISSING A CLASS

1. I MISSED A CLASS. WHAT SHOULD I DO?

OPTION 1:

You missed your preferred day.
If you are available same week,
the class can be attended on a
different day.

OUTCOME: the class and the
syllabus for that week is not
lost.

OPTION 2:

If you are NOT available that
week you can use the missed
class at any other day as long
as it is used within your current
beginner course.

It is not transferable to the
next course.

OUTCOME: the class is not lost,
but syllabus for that week is
lost. You will end up repeating
a class on a chosen week.

SCHOOL CLOSURE

1. SCHOOL IS CLOSED. WHAT SHOULD I DO?

Sometimes we may need to
cancel a day of classes.

In this case, you have two
options:

OPTION 1:

We will replace this class with
an equivalent class in a new
course.

For example: We were closed
on Monday 9th October. This
day was in Week 3. You could
not come on Tue or Wed. You
will then be able to come in
Week 3 of next course.

OPTION 2:

Use the missed class on any
other day during the current
course.
